How to Register Your TM SIM

Follow the step-by-step guide below to register and activate your TM SIM:

Step 1: Insert Your SIM Card

Gently insert the TM SIM card into your phone's SIM slot. Ensure your device is unlocked and compatible with local network bands.

Step 2: Power On Your Device

Once the SIM is inserted, switch on your mobile phone. You should see TM SIM in the network status bar.

Step 3: Register Your SIM (Biometric Verification)

Visit any authorized TM SIM retailer or franchise for biometric registration. You'll need to bring:

- Your original CNIC (Computerized National Identity Card)
- A phone with the TM SIM inserted (optional but helpful)

Once your thumb impression is verified, your SIM will be registered in your name as per PTA (Pakistan Telecommunication Authority) regulations.

Step 4: Activation

After registration:

- You may receive a welcome SMS confirming your SIM activation.
